Alternating Possession Rule

At the beginning of the first quarter only, there will be a jump ball. This will be the only

jump ball in regulation play. During each quarter, teams will alternate possession on all jump balls according to the possession arrow on the score table. In addition, the possession arrow will indicate which team in-bounds the ball at the beginning of all subsequent periods following the 1st.

Each team will get 2 time-outs per half. Time-outs last 60 seconds
There will be one minute between each quarter.
There will be a five- minute half time.
There will be one time-out per overtime period

Overtime

There will be one 1 minute overtime period, clock stopping like a regulation basketball game. At the end of the first overtime, if the score is still tied, sudden death free throws will determine the winner.

One shooter from each team will shoot against each other until a winner is decided. No player may shoot twice until his/her entire team has gone.

Three Second ruling

Grades 1 & 2: Three seconds will not be called unless in the judgment of the ref, that the players or coaching staff are taking advantage of this rule.

Back-Court Defense

The over & back rule will not be enforced in these grades (prek/K, 1/2 Grades)

The rule will be modified as followed: If after the offensive team has crossed into front court with the ball, then chooses to return to the backcourt with the ball, they may be pursued by the defensive team. This rule stays in effect regardless of how long the ball has been in the frontcourt or what the score is. Once the ball has crossed the mid court line, if it goes backcourt there is NO 10 second count.

There is a 10 second count in all 3/4, 5/6 grade games.

Defensive rules

Each defensive player shall play man to man defense while the ball is in the offensive half of the court.

There is no double-teaming. If seen, the referee will stop and put the opposing player back on the correct player to guard.

1st-2nd grade teams may pick up past half court with under 10 seconds left in the game to prevent teams from just running out the clock
